“Excellent research training for scientists for the future”

DOCTORAL STUDY PROGRAM
at National Institute of Chemistry

- 4 years of research in ambitious environment at Kemijski inštitut / National Institute of Chemistry, Ljubljana, Slovenia
- 4 years employment contract with attractive package
- PhD degree by University of Ljubljana

Apply for one of 25 innovative topics of research:

Chemistry, Life Sciences, Advanced Materials, Electro Chemistry, Materials for Energy Storage and Conversion, Nanobiotechnology, Biochemistry, Synthetic Biology, Immunotherapy, Inorganic Chemistry, Catalysis, Biophysics, Computer Modelling, Chemical Analysis

Deadline to apply May 15, 2023

Applicant must submit the application with all required support documents before the deadline at **www.ki.si/scientists4future/application-form/** or **scan QR code** bellow.

Project submitted under the Horizon Europe Marie Skłodowska-Curie Actions call HORIZON-MSCA-2021-COFUND-01-01 — MSCA COFUND 2021 by National Institute of Chemistry following evaluation by an international panel of independent experts was recognised as a high-quality project proposalin a highly competitive evaluation process.
